

**BILLS INTRODUCED IN THE 111th CONGRESS REGARDING FLEXIBLE WORK ARRANGEMENTS**

**I. Making the Case – Creating a National Campaign for Flexible Work Arrangements (Strategic Public Education Campaign)**

| BILL NAME  | BILL NUMBER | DATE INTRODUCED | BILL SPONSOR        | DESCRIPTION  | SIGNIFICANT ACTIONS                                       |
|--|-------------|-----------------|---------------------|--|---|
| American Recovery and Reinvestment Act of 2009 (ARRA)  | H.R. 1      | 1/26/2009       | Rep. Obey (D-WI)    | Creates the Broadband Technology Opportunities Program. The Program provides access to or improved access to broadband service to consumers in unserved areas in the United States. The program also provides broadband education, public awareness, training, access, equipment and support to job-creating strategic facilities. Among others, the purpose of the Program is to stimulate the demand for broadband, economic growth and job creation. This Program provides the foundation for telework policy insofar as it lays the infrastructure for telework nationwide and provides funding streams. | 2/17/2009<br>Bill became law                              |
| To direct the Secretary of Labor to make a grant to a public university to establish the Center for the Study of Women and Workplace Policy. | H.R. 399    | 1/9/2009        | Rep. Dingell (D-MI) | Directs the Secretary of Labor to award a \$1 million annual grant for fiscal years 2010-2014 to a public university to establish a Center for the Study of Women and Workplace Policy. Calls for the Center to publish best practice guides for businesses and families containing guidelines on promoting a family-friendly workplace.   | 1/9/2009<br>Referred to House Comm. on Education & Labor. |

**BILLS INTRODUCED IN THE 111th CONGRESS REGARDING FLEXIBLE WORK ARRANGEMENTS**

**II. Laying the Groundwork – Providing Employers and Employees with Tools to Develop and Sustain Effective Flexible Work Arrangements (Provide Information, Training, Technical Assistance and Implementation Tools)**

**III. Investing in Innovation – Taking Flexible Work Arrangements to the Next Level**

| BILL NAME                                     | BILL NUMBER | DATE INTRODUCED | BILL SPONSOR              | DESCRIPTION   | SIGNIFICANT ACTIONS  |
|---|-------------|-----------------|---------------------------|---|--|
| Working Families Flexibility Act              | H.R. 1274   | 3/3/2009        | Rep. Maloney (D-NY)       | Grants employees the right to request a change in the: (1) number of hours worked; (2) times when the employee is required to work; and (3) location where the employee is required to work. Requires the employer to meet with the employee within 14 days of the request and to issue a decision no later than 14 days after the meeting. Prohibits employers from interfering with this right and provides an enforcement mechanism through the Administrator of the Wage and Hour Division of the Employment Standards Administration of the Department of Labor. Requires the Secretary of Labor to conduct a continuing program of research, education, and technical assistance. | 3/3/2009<br>Referred to House Comms. on Education & Labor, Oversight & Government Reform, House Administration, and Judiciary. |
| Security and Financial Empowerment (SAFE) Act | H.R. 739    | 1/28/2009       | Rep. Roybal-Allard (D-CA) | Provides victims of domestic violence the right to receive an FWA unless it would impose an undue hardship on the employer by defining the failure to provide a job-related modification to enhance the security of the individual or safeguard the workplace as discrimination.  | 1/28/2009<br>Referred to House Comms. on Education & Labor, Ways & Means, and Financial Services.                              |

|---|-------------|-----------------|------------------|--|---|
| Older Worker Opportunity Act of 2009                  | S. 502      | 2/27/2009       | Sen. Kohl (D-WI) | Amends the Internal Revenue Code to allow employers who have tax-qualified pension or retirement plans, and provide health insurance coverage for which they pay at least 60% of the cost to receive tax credits in the amount of 25% of the first \$6000 of the wages of any employee over the age of 62 participating in a formal flexible work program. A "flexible work program" provides full- or part- time flexible work schedules and full pension and health care benefits. This arrangement must be available to an older worker for at least one year, and must be widely available to rank and file employees. | 2/27/2009<br>Referred to Senate Comm. on Finance. |
| American Recovery and Reinvestment Act of 2009 (ARRA) | H.R. 1      | 1/26/2009       | Rep. Obey (D-WI) | Creates the Broadband Technology Opportunities Program. **IV. Leading by Example – The Flexible Fed (Supporting the Federal Workforce)**

| BILL NAME  | BILL NUMBER | DATE INTRODUCED | BILL SPONSOR        | DESCRIPTION   | SIGNIFICANT ACTIONS  |
|--|-------------|-----------------|---------------------|---|--|
| Part-Time Reemployment of Annuitants Act of 2009 | S. 629      | 3/18/2009       | Sen. Collins (R-ME) | Allows heads of federal agencies to waive the application of civil service retirement system and federal employee retirement system provisions restricting annuities and pay upon reemployment for up to 2.5% of their workforce for annuitants employed as limited time appointees. Reemployed annuitants would receive both salary and annuity payments. They would not be considered employees for the purposes of retirement and would receive no additional retirement benefits based on a limited time appointment. Requires the Government Accountability Office to submit a report identifying agencies that utilized this authority, along with the number of annuitants granted a waiver, within 3 years. | 3/18/2009<br>Referred to Senate Comm. on Homeland Security & Governmental Affairs. |

**BILLS INTRODUCED IN THE 111th CONGRESS REGARDING FLEXIBLE WORK ARRANGEMENTS**

| BILL NAME   | BILL NUMBER | DATE INTRODUCED | BILL SPONSOR          | DESCRIPTION   | SIGNIFICANT ACTIONS  |
|---|-------------|-----------------|-----------------------|---|--|
| To amend chapter 83 of title 5, United States Code, to modify the computation for part-time service under the Civil Service Retirement System | S. 469      | 2/25/2009       | Sen. Voinovich (D-IL) | Changes the computation of annuities involving part-time service under the Civil Service Retirement System to correct an existing disincentive for employees that would like to phase into retirement by working part-time towards the end of their careers. Part-time service performed before April 7, 1986 is credited as full-time service for purposes of annuity computation under the Civil Service Retirement System. | 3/20/2009<br>Referred to Senate Subcomm. on Oversight of Government Management, the Federal Workforce, & the District of Columbia. |
| Part-Time Federal Employees Equity Act of 2009  | H.R. 1198   | 2/25/2009       | Rep. Moran (D-VA)     |   | 2/25/2009<br>Referred to House Comm. on Oversight & Government Reform.   |
| Federal Retirement Reform Act of 2009   | H.R. 1804   | 3/31/2009       | Rep. Towns (D-NY)     |   | 3/31/2009<br>Referred to House Comms. on Oversight & Government Reform, and Armed Services.  |

|-----------------------------------|-------------|-----------------|----------------------|---|--|
| Telework Enhancement Act of 2009  | S. 707      | 3/25/2009       | Sen. Akaka (D-HI)    | The head of every executive agency must consult with OPM and establish a policy under which eligible employees may be authorized to telework, the eligibility of all employees to telework is determined, and all employees are notified of their eligibility to telework. This policy must include a requirement that the agency manager and eligible employee enter into a written agreement that outlines the specific work arrangement to which both agree.             | 3/25/2009<br>Referred to Senate Comm. on Homeland Security and Governmental Affairs. |
| Telework Improvements Act of 2009 | H.R. 1722   | 3/25/2009       | Rep. Sarbanes (D-MD) | Agencies must designate a Telework Managing Officer, within their Office of the Chief Human Capital Officer, who is responsible for policy development and implementation regarding agency telework programs. Agency heads must also provide an interactive telework training program for all eligible employees and managers of teleworkers.<br>Agency heads must ensure that no distinction is made between teleworkers and non-teleworkers in any performance appraisal. | 3/25/2009<br>Referred to House Comm. on Oversight & Government Reform.               |
